Clarinet and Vibes, a great combination!

Pamela Bingham (Sheppard)

(clarinet)

Ms. Bingham graduated with a Masters degree from The Shepherd School of Music at Rice University and is currently an adjunct professor of music at Houston Community College. Pamela was an alternate musician with the Houston Symphony for six years and has performed as a feature clarinetist with Klezmer Bands both nationally and locally.

Harry Sheppard *(vibraphone)*

A local mainstay since he moved here in 1985, this octogenarian is a seasoned vibraphonist whose long list of credits includes backing big jazz giants such as Billie Holiday and Benny Goodman. The New York Times referred to Harry as “a thoroughly original vibraphonist” and Jazz Times reviewed his CD *Standards* stating, “A major talent on Vibes..... he has four-mallet technique to burn!”

Pick a night and he’s bound to be on stage somewhere in Houston.
